Product Description

Echo DPPT-2600HR2 Battery Powered Power Pruner

The DPPT-2600H Power Pruner® pole saw delivers gas-like power and acceleration, making it easy to cut hard-to-reach branches from the ground. The telescoping shaft is able to provide up to 16 ft. reach and up to 20 ft. with an optional 4 ft. extension. Its durable brushless motor ensures long-lasting, maintenance-free performance, while the 80TXL system provides fast, smooth, and precise cuts.**TOP FEATURES**

- Powerful brushless motor
 - Up to 16 ft. reach, and 20 ft. with optional 4 ft. extension
 - Automatic, adjustable oiler
 - Includes 5.0Ah Battery & Rapid Charger
-
